GO GREENER! OFF GRID POTENTIAL FOR ONLY \$340K

🛏 4 🚿 1 🚿 1

Are you looking for a more self sufficient lifestyle with potential to go off the grid?

This 4 bedroom house is solid block with all the modern amenities. Situated in a rural residential area and just a short 2 minute drive to the beautiful Cardwell on the beachfront! Situated on a fully fenced 7,552m2 block this home has plenty of space with rich soil for growing your own gardens and becoming self sufficient.

Coupled with the potential in the garden, this home features an Aqua Nova septic tank which filters the waste and releases the fresh clean water back into the yard. This system is serviced every 3 months by DJ Wastewater for a lower cost than sewage charges.

The house has a Solar Power System by Mission Solar. Featuring 5200 watts with 20 panels all that is needed is the purchase of batteries and the home can be fully used off grid! This system is still under full warranty.

There are whirly birds on the roof which create extra ventilation and the house maintains roughly the same temperature all year round. The oven/stove and hot water system are all gas. The ride-on mower is even included in the sale!

Priced to sell at \$340,000 you wont find a better solid block home like this for
